**MEMO ENDORSED**Re: United States v. Cambrex Corp. et al., 08 Civ. 5815 (RMB)

Dear Judge Berman:

This Office represents plaintiff the United States of America (the "Government") in the above-referenced environmental enforcement action against defendants Cambrex Corporation; Nepera, Inc.; Warner-Lambert Company LLC; and Pfizer, Inc. (the "defendants"). Enclosed please find a courtesy copy of a proposed Consent Decree between the United States and the defendants resolving this matter, and a courtesy copy of the Notice of Lodging of the proposed Consent Decree filed with the Clerk of the Court.

The United States requests that the Court not enter the proposed Consent Decree at this time. The Government will publish the Notice of Lodging in the Federal Register, following which the United States Department of Justice will receive public comments on the proposed Consent Decree for a 30-day period. See 28 C.F.R. § 50.7. At the conclusion of the comment period, the United States will file with the Court any comments received, as well as responses to the comments and, if appropriate, will request that the Court approve and enter the proposed Consent Decree. If you have any questions about this procedure, I can be reached at 212-637-2774.

Thank you for your consideration of this request.

Respectfully submitted,
